Ropes Charge policy 2023-24

Parents & Guardians: Ropes ISD Meal Charge Policy

Ropes ISD wants to ensure that all students have access to healthy nutritious meals and by doing so the following charge policy has been put into place. Each child will have a cafeteria charge limit of \$35.00 for reimbursable meals. This value represents 1 week of breakfast and lunch meals only. Student Breakfast \$2.75 Student Lunch \$4.25

Ala Carte items may not be charged at any time. Ala carte prices are \$.50-\$2.50 Students must have a positive balance in their lunch account or cash to purchase ala carte. Parents who do not want their children to purchase ala carte must contact Ropes cafeteria or Ropes Office. Students and parents will receive weekly communication when:

- Account is below \$5.
- Account has a negative balance.

If a balance has exceeded the \$35.00 charge limit and no payment has been received, a student will continue to receive a courtesy meal until balance is paid in full. Courtesy meal option will be an item on the menu that day to ensure there is no overt identification of a student's balance, but the option will be chosen by availability.

All unpaid charges must be paid in full before the last day of school.
